OEHME, VAN SWEDEN | OvS is an internationally-recognized, award-winning landscape architecture firm located on historic Capitol Hill in Washington, DC. OvS' diverse clientele includes government agencies, public institutions, businesses, and private homeowners, and maintains a portfolio of national and international projects.

OvS is seeking a paid summer intern to provide additional support on projects and to engage in dynamic learning opportunities. The firm is committed to engaging interns in opportunities that emerge from professional office culture and real-world projects. We greatly value the inspiration, innovative ideas, and enthusiasm that arise from university horticulture and design programs. In-office and on-site experiences are dependent on COVID-19 status this summer.
